THIS MATTER is before the Court on its own motion for the purpose of amending the Court's August 31, 2012 Order (Text-Only) granting the Government's Motion for Extension of Time to File Supplemental Response to § 2255 Motion. (Doc. No. 25). The Court determined that good cause, in fact, existed to support a brief extension of time. Nonetheless, the Court now amends its August 31st Order to shorten the supplemental response period.¹

IT IS HEREBY ORDERED that the United States' Supplemental Response shall be due **on or before September 20, 2012**.

Signed: September 11, 2012

United States District Judge

¹ This civil matter is one of the oldest on the Court's docket and a twenty-day extension of time is more than generous.
